

R-S Central Classic Drill Meet

Instructors –

We look forward to having a great turnout for this year's R-S Central Classic. Like last year, *we will recognize the best of service in six categories of regulation drill.* We hope to see strong representation from each service.

The drill routines will be the same as those used at several other MCJROTC drill meets this year including Daniel Boone and South Iredell. Modifications have been made for Army & Air Force units for specific drill movements not used by those services.

Finally, if you have not competed in an MCJROTC drill meet in the past couple of years, please read the instructions for the personnel inspection especially carefully. It is efficient, fair and over quickly - but it is different.

Thanks. We hope to see you.

- c. Event sequencing: This will be the first event of the day for all teams. **ALL TEAMS ARE INSPECTED SIMULTANEOUSLY.**
- d. The event is an unarmed event.

2. Inspection Procedures

- a. Cadets to be inspected will form in squad formation at the end of the inspection deck. Cadets will report to a pre-assigned location so that they are interspersed with cadets from other schools. **For example:**

School F Cadet #6	School A Cadet #6	School B Cadet #6	School C Cadet #6	School D Cadet #6	School E Cadet #6
School E Cadet #5	School F Cadet #5	School A Cadet #5	School B Cadet #5	School C Cadet #5	School D Cadet #5
School D Cadet #4	School E Cadet #4	School F Cadet #4	School A Cadet #4	School B Cadet #4	School C Cadet #4
School C Cadet #3	School D Cadet #3	School E Cadet #3	School F Cadet #3	School A Cadet #3	School B Cadet #3
School B Cadet #2	School C Cadet #2	School D Cadet #2	School E Cadet #2	School F Cadet #2	School A Cadet #2
School A Cadet #1	School B Cadet #1	School C Cadet #1	School D Cadet #1	School E Cadet #1	School F Cadet #1

Judge #1	Judge #2	Judge #3	Judge #4	Judge #5	Judge #6
----------	----------	----------	----------	----------	----------

- b. Judges will form on the opposite end of the basketball court.
- c. At the command, cadet #1 from each school will march forward to his/her judge. Each cadet will carry his/her score sheet in the left hand and present it to the judge.
- d. The cadet will report to the judge in a normal voice, “Sir/Ma’am, Cadet (rank) (name), _____ High School (service) JROTC.”

e. The judge will inspect the cadet's uniform, grooming, bearing and knowledge. The judge will not remove the cadet's cover other than to inspect the cadet's haircut.

f. The judge will ask each cadet 3-4 questions, depending on question complexity. **A judge will ask the same questions (specific to the cadet's service) to each cadet in his/her line.** Each judge will have a different set of questions.

g. At the conclusion of each inspection period, cadets will face and march out on command, exiting the drill deck. The next group of cadets will move to the judges when given the command, "forward, march."

h. This method will result in both an efficient and fair inspection.

3. Inspection Knowledge

a. Cadet knowledge is an important component of the personnel inspection and serves as a measure of poise, bearing, knowledge and preparation.

b. Though the inspection period may be intense and involve rapid fire questions, judges will not intentionally "stress" cadets during the inspection.

c. In addition to the official questions, judges will be given the latitude to ask "unofficial" questions such as cadet's age, how many years in JROTC, year/grade in school and questions regarding ribbons, devices and rank insignia on the cadet's uniform..

d. Cadets should answer in a clear, distinct voice but should NOT shout the answers. Since all cadets at a particular station will be getting the same question, shouting the answer may aid the competition.

e. Cadets will be responsible only for knowledge regarding their particular service, i.e. only MCJROTC cadets will be required to know the Commandant of the Marine Corps.

f. Answers below are accurate at time of publication, however, if something changes in the Chain of Command, schools are responsible for updating this information.
